Dear Parent or Guardian:

Lift For Life Academy is participating in a Universal Lunch and School Breakfast Program for the current school year of 2018 – 2019. If your children attend Lift For Life Academy, breakfast and lunch will be available to them at no charge. All students enrolled at this school may participate in the breakfast and lunch program at no charge to them. Studies have shown that children who are not hungry perform better in school. By providing lunch to all children at no charge, we are hoping to create a better learning environment for our students.

The school breakfasts and lunches that we serve follow U.S. Department of Agriculture guidelines for healthy school meals. The School Breakfast and Lunch Programs cannot succeed without your support; please encourage your children to participate in the school meal programs.

Meals will be served to all students at no charge regardless of the eligibility status. Please see the USDA Non-Discrimination Statement (link also available on website) for further affirmation. If you have any questions about this program, please feel free to contact us at 314-231-2337.

Sincerely,

Marshall Cohen
Executive Director & Co-founder

Lift For Life Academy is a challenging learning community where all students are empowered to maximize their full potential as students and citizens.
