

## Universal Free School Breakfast and Lunch for All Students

July 31, 2020

Dear Families and Students,

Lift For Life Academy is participating in a Universal School Lunch and Breakfast Program for the current 2020-2021 school year. If your children attend Lift For Life Academy, breakfast and lunch will be available to them at no charge. All students enrolled at the school may participate in the breakfast and lunch program at no charge to them.

Studies have shown that children who are not hungry perform better in school. By providing lunch to all children at no charge, we are hoping to create a better learning environment for our students.

The school breakfasts and lunches that we serve follow the U.S. Department of Agriculture guidelines for healthy school meals. The School Breakfast and Lunch Programs cannot succeed without your support; please encourage your children to participate in the school meal programs.

Meals will be served to all students at no charge regardless of eligibility status. Please see the USDA Non-Discrimination Statement, included on the next page of this letter for further information. If you have any questions about this program, please feel free to contact us at 314-231-2337.

Sincerely,
